Subject: Final Draft FRN for Review
Attachments: OR 6217 DRAFT FRN 012115.docx

Hi All,

Attached is the final draft Federal Register Notice that incorporated all of the recommended changes. This is your final chance to review the Federal Notice.

During the conference call tomorrow, we will discuss the changes (signatory: NOAA only, Notice of availability of our decision etc.) to make sure everyone is in agreement.

Cheers,

Jayne
